EXPERIENCE

Freelancer, 10/08 - Present
Self-employed, New York NY

Designed, developed and project managed web sites for various clients. Worked as a contractor for Limited brands. Created wireframes, mock-ups and page layouts for the Bath and Body Works brand.

Sr. Designer, 12/07 - 10/08
Vectorform, New York NY

Served as design lead and interaction designer on consumer web sites for Microsoft and Chrysler Financial. Designed and art directed interfaces for the Xbox 360 console. Managed and supervised Junior Designers, 3D artists and Motion Graphic Designers for various projects.

Sr. Designer, 2/07 - 12/07
Springbox / Viewpoint, Austin TX

Designed online campaigns for clients such as Disney Online, Dannon, AMD and Dell. Responsibilities included creating wireframes, designing web sites that enhance each client's brand and directing Junior Designers to maintain creative quality from concept to completion. Additional responsibilities included communicating creative ideas to clients and to those team members contributing to the project.

Sr. Interface Designer, 1/06 - 2/07
Cartis Group, Austin TX

Developed design concepts, wireframed layouts, rich media advertising art, Flash animation and development in a fast paced collaborative team environment; worked on many of the company's largest accounts including New York Life, Whole Foods Market, Disney and Balfour.

Interface Designer, 4/02 - 12/05
S1, Austin TX

Provided creative and interaction design services for financially oriented web sites; design support for sales initiatives including email and print advertisements; coordinate workflow between clients and project managers.

Design Analyst I, 2/01 - 7/01
Meritage Technologies, Austin TX

Executed concepts and user interface designs for multiple web and interactive clients; created front-end UX, design and build-out; developed identity systems and logos for print and electronic media.

Associate Designer, 3/00 - 1/01
Cyberplex, Austin TX

Promoted from intern to designer in June 2000; designed user interfaces and marketing materials for client presentations; followed art direction throughout project builds.
